

CURRICULUM VITAE

Jennifer Benson

Permanent address:

6311 Catawba Dr.
Canfield, OH 44406
Phone: (330) 507-6311
E-mail: Jenbens@bgsu.edu

Education and Training

2006-Present: B.S. in Biology, B.S. in Chemistry with a specialization in Biochemistry,
Bowling Green State University, Bowling Green, OH
2006 June: High School Diploma, Canfield High School, Canfield, OH

Professional Experience

2007 Summer Undergraduate Research Assistant, BGSU Chemistry Department,
Bowling Green State University, Bowling Green, OH; Dr. Neocles Leontis
2008 Summer Undergraduate Research Assistant, Davis Heart and Lung Research
Institute, The Ohio State University, Columbus, OH; Dr. Andrea Doseff

Honors and Awards

2005 March, Inducted into the National Honor Society
2006 May, Awarded BGSU University Professor's Scholarship
2006 Oct., Awarded the Academic Investment in Math & Science membership
2007 Feb., Awarded the Harold E. Tinnappel Scholarship
2007 Feb., Awarded the Gordon R. and Laurie Bracht Hamm Scholarship
2007 April, Inducted into Phi Eta Sigma ($\Phi\eta\Sigma$) honors fraternity
2008 May, Awarded the BGSU Chemistry Department scholarship for Organic
Chemistry

Presentations

2007 Feb. "Stem Cell Research", presented to Critical Thinking classmates
2007 Feb. "The Benefits of Stem Cell Research", presented to Critical Thinking
classmates
2007 Feb. "Theories of the Solar System", presented to Great Ideas classmates
2007 March "The Road to Becoming a Biochemist", presented to fellow AIMS scholars
2007 June "Lab Experiments", presented to Leontis Research Group members

Conferences Attended

2007 9-11 July Ohio Collaborative Conference on Bioinformatics, Miami University,
Athens, OH
